

# FIRE AND RESCUE I

SOUTHMONT HIGH SCHOOL | AVAILABLE JUNIOR OR SENIOR YEAR

Students enrolled in Fire I have the opportunity to explore the fire profession while at the same time gaining necessary skills to be a firefighter in today's modern fire environment. In this program, you will learn how to treat live burns, explore the science that goes into combating a fire, and practice through hands-on drills both inside and outside the classroom.

# FIRE AND RESCUE I

Fire and Rescue leads to these jobs:

- Emergency Medical Technician
- Firefighter
- Fire Inspector
- Forest & Conservation Worker
- Hazardous Materials Removal
- Paramedic
